## COUNTRY DONUTS SEASONAL SPECIALTIES

---

### Apple Crisp - Cider n' Spice Cake Donuts

As the crisp fall air calls for a jacket and gloves, the apples are ripe and we are busy making our fall favorites, Apple crisp and Cider n' spice cake donuts! Made with real dried apple bits, the Apple Crisp is enrobed with honey glaze, and the cider n' spice is covered with cinnamon sugar. Pair either one with a glass of refreshing cold or hot fresh pressed apple cider!

## Cinnamon Buns - Take and Bake

Country Donuts Cinnamon Buns have become a Christmas Tradition. Please print these **cooking directions for the Take and Bake Cinnamon Buns.**

## Fresh Pressed Apple Cider

We have been traveling to Elkhorn, Wisconsin for the past fifteen years to pick up fresh pressed cider from Steve and Judy Jacobson's Premium Green Farms Orchard. This cider is unpasteurized but is treated with UV to kill bacteria. It must be refrigerated until served. A family farm for more than 125 years, the APPLE BARN family takes special pride in the products they make. Visit **The Apple Barn Orchard and Winery** when you are in Elkhorn!
